Notes

It's Your First Week!

Using the LA Student Books

Most of your work will come out of your LA 3 student books. These are consumable, and thus you will need an additional set for additional students.

Handwriting Pages

Handwriting is included in the LA Student book set.

Introduction to SpellWell

You have 30 lessons in the two SpellWell books. Each lesson has four activities to complete throughout the week. Each word list has 7-9 SpellWell words and 1-2 outlaw words, with room for a couple of individualized words that your student needs to know or has trouble with. (You do not NEED to add words to the list.) The test for each lesson is scheduled on the fifth day, but this could be changed to accommodate a four-day schedule.
