Notes

It's Your First Week!

Introduction to SpellWell

You have 30 lessons in the two SpellWell books. Each lesson has four activities to complete throughout the week. Each word list has 7-9 SpellWell words and 1-2 outlaw words, with room for a couple of individualized words that your student needs to know or has trouble with. (You do not NEED to add words to the list.) **Do not complete the introductory page for each lesson.** The spelling test is scheduled on the fifth day, but this could be changed to accommodate a four-day schedule.

Creative Writing Skills

Most weeks of the year there is an assignment. These writing assignments are most often linked to your themed study.
