**PAYMENT PLAN:**

Make three equal payments by CC: one in the month you order, one at the end of the following calendar month, and one at the end of the calendar month after the second payment. You are charged \$25 for the program. There are no other fees unless your credit card does not clear for payment, at which time we will charge an additional \$25 for each failed payment. You pay 1/3 + the \$25 fee today. The payment plan does not apply to orders less than \$300.00. The partial payment as charged to your bank (together with our proof of shipment) will act as your assent to our charging the additional two payments below, and will bind you to payment. **It also allows WinterPromise to reserve the right to hold orders to ship in as few shipments as possible, if an item is on backorder, or has not been released for purchase at the time of the order.** If product is returned, WinterPromise's return policy is still in effect for this order, and will be honored within the time frames noted in our standard return policy.
